

SPRINGFIELD ARMORY LOADED FULL SIZE MC
OPERATOR .45 ACP PX9105MLP, \$1332

Gun Tests grade: B+

Simple, effective features make this gun combat ready. The Pachmayr Wraparound grip often made fast handling difficult, but that was an easy fix.

The Novak night sights did a good job, but we would prefer a unit that blocked more light. That would make the sight picture easier to read.

The Pachmayr Wraparound grips added a checkered frontstrap and provided grip even when wet. But the rubber surface made it difficult to shift the gun, slowing down our reloads. Ultimately, grips are a highly individual choice and a quick fix at that.
