GRIP	FINGER GROOVE BLACK POLYMER
TRIGGER PULL WEIGHT DOUBLE ACTION.....	6.0 LBS.
TRIGGER SPAN DOUBLE ACTION.....	2.8 IN.
WARRANTY	LIMITED LIFETIME
TELEPHONE	(770) 432-1202

The adjustable rear sight on our G34 featured a white outline that was bolder than on previous models. It is the only Glock pistol with adjustable sights as standard equipment.

The relief in the long slide looked like it should be coordinated with porting holes in the barrel, but this unit wasn't compensated. Glock refers to the G34 as a competition model, and this cutout reduces slide mass, which improves reliability with more ammunition choices.
