

BENELLI SUPERNOVA NO. 20115 MAX-4 HD CAMO 3½-INCH 12 GAUGE PUMP, \$599
GUN TESTS GRADE: A

In our initial test, we said the Benelli SuperNova was a superb waterfowling piece. In this retest, we note that the Remington was vastly improved, but it's still almost two grades behind the Benelli. The sole advantage the Remington held was the price disparity. If retail prices for these guns are actually \$200 apart, then you'll have to decide for yourself if the Nova is worth the extra money.

SPECIFICATIONS

Overall Length 49.5 in.
 Barrel Length 28.0 in. w/ventilated rib
 Sights Plastic red tube front;
 metal center bead

LOP 14.4 in.
 Drop @ Comb 1.4 in.
 Drop @ Heel 2.25 in.
