

DSA FAL SA58 SA58B21CM 308 WIN., \$2095

GUN TESTS GRADE: C-

This gun was reliable and lots of fun to shoot. But its accuracy was frustrating.

The knurled lever on the (arrow) released the magazine by pushing it forward. The J-shaped lever was pushed upwards to lock back the bolt. Pulling it downward let the bolt slam closed with authority.

The latch directly below the peep sight opened the action for disassembly. The peep sight was surprisingly efficient with elevation adjustment by sliding it forward
