LOP.....	14.5 IN.	BARREL FINISH .....	HARD CHROME		
		MAGAZINE TYPE .....	DOUBLE COLUMN DETACHABLE		
		STOCK .....	BLACK SYNTHETIC		

The roller handle bolted directly into the carrier. This was a \$20 option but the chrome carrier and polished ejection port was standard.

Favoring the right-handed shooter with a thumb rest and palm swell the target grip was a real plus. Overall, handling, fit and finish was superb.
