

SPRINGFIELD ARMORY GI PW9108LP 45 ACP, \$643

GUN TESTS GRADE: B+

The Springfield GI pistol is a barebones 1911 that is good-to-go out of the box. It's a good fit for Wild Bunch shooting.

Right: GI sights or Mil-Spec? Some claim little difference in shooting, others feel the difference is marked. We think the Mil-Spec sight (top) is the better choice, because it offers a better picture than the GI yet maintains the anti-snag appeal of the low-profile shape.
