

GUN TESTS welcomes mail from its readers. To send us comments or questions about previous articles in the magazine, email us at <guntestseditor@comcast.net>. If you'll include the month and year of the article you're writing about, it's a big help. Also, please include your name, address, and phone number. We won't publish your personal information, but we may need to contact you. You can also ask us not to publish your name.

Because of space restrictions in the magazine that limit the number of letters we run, we've begun post-

reader mail online at Gun-Tests.com. Temporarily, those letters are housed under Tools and Techniques>Gun Tests Reader Letters>Firing Line. We'll add more letters as time and reader interest allows.
