

**KIMBER ECLIPSE TARGET II 45 ACP, \$1393**  
**GUN TESTS GRADE: A**

**The Kimber Eclipse is a great pistol with much to recommend it. The combination of adjustable sights and extended safety made for a first-class 1911 pistol in this price range.**

 Made In ..... USA

**The Eclipse Target II is a handsome pistol well worth its price, our testers said. The Eclipse features extended controls that make using the pistol a joy. How much they matter depends somewhat on your shooting style. Some of what's visible are double-diamond grips, a checkered magazine release, an extended beavertail, and a skeletonized combat hammer and trigger. Inset: The adjustable sights allowing tuning the pistol to your favorite load.**
