

SPRINGFIELD ARMORY XD45 SERVICE MODEL XD-9661HCSP 45 ACP, \$571

Gun Tests grade: A-

The XD45 with thumb safety did everything it promised. We think it is one of the best values in a home-defense pistol.

With the slide locked back, the takedown lever was rotated upward, passing through a cutout in the slide.

The indent at the top of the grip (both sides) accommodates the thumb when shooting with one hand. We found it easy to operate the slide release with the pad of the thumb and the safety with the inside of the knuckle. Magazine release and thumb safeties were ambidextrous.
