

PARA ORDNANCE PXT 7.45 PREMIER EDITION 45 ACP, \$986

GUN TESTS GRADE: B+

Though the Para Ordnance is an attractive pistol with good features, there were a couple of nagging shortcomings that dropped the grade. The pistol's reliability cannot be faulted.

Above: The Para Ordnance was completely reliable. The Para Ordnance is a Series 80-type pistol with a positive firing pin block.

Right: The Para Ordnance gave good performance. The author engaged in rapid fire work and found the pistol handled well. As shipped, the bumper pads on the mags would have to be removed or new flat mags used instead.
