

## ALEXANDER HENRY 12-BORE DOUBLE RIFLE, \$8500 GUN TESTS GRADE: A

This bruiser of a rifle exudes power in its lines. Its nearly 12-pound weight was easily managed because of its fine balance. The rifle felt lighter than the 10.4-pound Erskine at the shoulder. Recoil was definitely there.

Overall Length	45.1 in.
Barrel Length	28 in.
Sight Radius	21 in.
Overall Height	8.9 in.
LOP	14.2 in.
Weight Unloaded	11.8 lbs.

Action Type	Break-Open, Jones Lever
Lock Type	Back-Action Sidelock, Hammers
Barrel Finish	Browned Damascus
Stock	Walnut
Trigger Pull Weight, Left	3.0 lbs.
Trigger Pull Weight, Right	1.7 lbs.

Not quite capable of cutting and stacking firewood, the Henry was a fine tool for serious work, we thought.

We stuffed a ball down the bore with a patch, and placed extra wads on the charge to eliminate air space. We got very fine accuracy from the old rifle this way. The rifle needs the right bullets to shoot to its potential.
